## 10×10 Canopy Wall - Single or Double Sided

Stand out at your next event with our Custom Canopy Walls—the perfect way to create a professional enclosed space while maximizing your branding visibility. Available in single-sided and double-sided options with solid, mesh window, or PVC window configurations to meet your specific event needs.

### PERFORMANCE FEATURES

#### Versalite Options

Choose from single-sided or double-sided printing, and select solid walls for complete privacy, mesh windows for airflow while maintaining visibility, or PVC windows for clear product display and customer interaction.

#### Premium Material

Crafted from 600D PU polyester that's waterproof, flame-retardant, and UV-protected, ensuring your graphics stay vibrant and protected in any weather.

#### High-Impact Printing

Full-color dye sublimation delivers crisp, vivid designs that turn your canopy walls into powerful branding tools.

#### Easy Setup

Quick attachment design with hook-and-loop fasteners or zipper closures makes installation and removal a breeze - no tools required.

#### Secure Attachment

Designed to attach seamlessly to the 40mm hexagonal aluminum frame for superior stability and a professional finished look.

#### Available In Sizes
