

Custom Table Covers

24"×88" Table Runner

Turn any display table into an effective marketing tool with custom printed table runners designed to layer over blank tablecloths. These runners highlight your logo, message, or promotion in full color while keeping your setup flexible, budget-friendly, and easy to reuse for multiple events.

PERFORMANCE FEATURES

Multiple Viewing Angles

Artwork can be showcased on the front, left, and right sides of the table, helping your branding stand out from every direction.

Premium Fabric

Made from 250g soft-knitted polyester for a heavyweight, durable feel that still drapes smoothly over the table edge.

Full-Color Dye Sublimation

High-resolution, edge-to-edge dye sublimation printing delivers rich, vivid graphics that won't crack or peel.

Standard Runner Size

Designed to pair with standard 6 ft and 8 ft display tables, with runner widths that create a clean focal strip over your existing table cover.

Event-Ready Performance

Soft hand-feel fabric with a slightly glossy finish gives your display a polished, professional look while remaining comfortable to handle and fold.

No Minimum Order

Ideal for single-location events, small teams, or full rollouts across multiple booths and activations.

Why Choose Custom Table Runners?

Table runners are one of the most cost-effective ways to upgrade a blank display table into a branded centerpiece. Use them with standard white or colored tablecloths to keep your setup versatile while still delivering a strong, repeatable brand presence at trade shows, retail demos, conferences, and special events.
