

Custom Table Covers

4 ft Stretch Fit Table Cover

Upgrade your event setup with Stretch Table Covers, designed for a sleek, form-fitting look that instantly elevates your display. Made from flame-retardant 240g elastic polyester, these covers combine safety, durability, and a professional finish—ideal for trade shows, conventions, expos, job fairs, retail promotions, and special events.

PERFORMANCE FEATURES

Reusable & Durable

Stretch fabric is designed for repeated use without losing its shape.

Premium Fabric

Crafted from 240g flame-retardant elastic polyester, ensuring fire safety compliance and long-lasting use.

Full-Color Printing

Dye sublimation printing delivers bold, vibrant, edge-to-edge graphics.

Available In Sizes

Fits 4ft, 6ft, and 8ft tables with a snug, tailored fit.

Perfect Fit

Elastic fabric hugs the table for a smooth, wrinkle-free appearance.

Professional Presentation

Conceals table legs and storage underneath while presenting a polished, modern look.

Why Choose Stretch Table Covers?

Unlike standard draped covers, these spandex-style table covers provide a streamlined, wrinkle-free appearance that sets your booth apart. They're lightweight, easy to transport, and perfect for creating a professional, branded look at any event.
